

# Get a Job You Deserve; FlyingExpert Will Help You Find One or Gets Your Money Back!

Last month, a 25-year-old named Jabbar visited my office.

His father had just passed away a few days earlier. He was gutted and broke and looking for a job...

Jabbar was an MBA graduate, so I asked him to try his luck outside the country to earn in foreign currency.

He was clueless and didn't know what to do. "*Where to go? Where to find a job?*" He responded...

I picked and showed him a gallery full of photos of people whom this **Travel AGENCY** had sent abroad and helped them find jobs in Dubai at a bare minimum cost.

Jabbar examined all the photos and immediately decided to try one of our visa plans.

We got him an approved visa, secured his ticket and allotted accommodation in 24 hours. The next day, he was on his way to hunt a **TOP job** in Dubai...

## ***After that, everything changed for Jabbar!***

Now, tell me, how much would you guess he is earning **RIGHT NOW?**

2,500 Arab Emirate Dirham? No way. That's too small...

3,000 AED? Absolutely Not!

4,500 AED? Not even close.

6,000 AED? Nope!

Here it is... He is earning **8,000 AED EVERY SINGLE MONTH!**

Now grab a calculator and multiply that Dirhams with your currency... Yes, that's a jaw-dropping salary no one pays in this country...

And that's just the start. He is expected to double his salary in a few years.

Jabbar now lives an elite lifestyle. He sends TOP money to his mother, wife, and sisters. All of them are very happy and live luxurious lives.

*Can you be the next Jabbar?* Of course, you can. Who wouldn't want to have a high-paying job in Dubai?

Everyone wants an elite life, but only a few get an opportunity like this.

According to a **Bloomberg report**, about five thousand jobs are posted **EVERY SINGLE DAY** in Dubai alone, not to mention in other Emirate cities. There could be thousands more in Sharjah, Abu Dhabi, Fujairah, Ras-Al-Khaimah, etc...

Don't you think you could secure **ONE SINGLE job** among five thousand opportunities?

You may be dropped in one interview. The next morning, more jobs pour into the market. Jobs keep posting every single day.

If you apply regularly, I'm sure you'll find your dream job during your 3-month stay.

## HOW TO APPLY FOR A JOB IN DUBAI?

The job hunting process is generally well-known and simple in Dubai. All you have to do is submit your CV via email or through the business website that operates in the UAE...

If not, don't be disappointed. Apply for another one that fits you.

***Jabber failed ten straight interviews and got his luck on his 11th.***

Half of the people we sent did the same. They apply regularly. They get regular interviews, and they fetch a job at the end...

You can do the same, and you'll be my next potential success story for my company... I'm impatient about including your name in my success story list.
